Release of 2026 subject results and Senior Education Profiles to students

Purpose

To inform schools about the release of 2026 final subject results and Senior Education Profiles (SEPs) to students.

Information

Online release of results and SEPs

From 9 am on **Wednesday 16 December 2026**, Year 12 students and other students who have completed a QCAA subject in 2026 can access their final subject results and SEPs from their learning accounts in the Student Portal via the myQCE website.

Depending on each student's individual circumstances, their SEP will comprise one or more of the following documents:

- Senior Statement
- Statement of Results (students who have completed a QCAA subject but are not in Year 12)
- Queensland Certificate of Education (QCE)
- Queensland Certificate of Individual Achievement (QCIA).

SEPs are issued as electronic documents directly to students' learning accounts in the QCAA's Student Portal. Electronic SEPs are official documents that use technology to ensure they cannot be altered. When a student downloads their documents and provides their electronic SEP to a third party (e.g. an employer or further education provider), the user opening the document will see a blue electronic signature panel across the top of the screen. This confirms the document is authentic.

Printing SEPs

A student may print their own SEP, or they may request a printed copy from the QCAA (until 31 January 2027) via their learning account in the Student Portal.

If a student provides their printed SEP to a third party, the user can scan the QR code on the document, which directs the user to a QCAA webpage to confirm the SEP's authenticity. For more information, see Authenticating a certificate or statement.

A student may request a printed copy of their SEP in their Student Portal learning account after SEPs have been issued, until **31 January 2027**. The option to request the QCAA to print a copy of the SEP is free and is only available between these dates. SEPs will be posted in March 2027.

SEPs printed by the QCAA are **no different** from those that students can print for themselves and are **not official documents**. They are provided for students' convenience only.

Students who receive a QCIA will automatically receive a printed copy of their SEP in the mail after **16 December 2026** — they do not need to request a printed copy in their learning account.

Accessing the Student Portal

To access the Student Portal via the myQCE website, a student must first register using their learner unique identifier (LUI). They should do this in advance to ensure quick access when results and SEPs are issued. Schools are reminded it is their responsibility to ensure students have been issued with LUIs.

After a student has registered for access to the Student Portal, they can log in with their email address and nominated password.

What you need to do

Make students and relevant staff aware of the arrangements for the release of 2026 results and SEPs in the Student Portal from 9 am on Wednesday 16 December 2026.

Remind students to register for the Student Portal and change their email addresses to non-school accounts. Schools can download a Student Portal registration report from the Student Management application. Go to **Reports** > **Student reports** > **Student Portal**.

Accessing ATARs

Remind students that Australian Tertiary Admission Ranks (ATARs) will be available via the Queensland Tertiary Admissions Centre (QTAC). Students must sign up to QTAC's ATAR Portal to access their ATAR and need to use their name (as shown in their QCAA learning account), date of birth, LUI and email address.
