

# Subject enrolments and levels of achievement — 2013

## Background

The Queensland Studies Authority (QSA) supports senior subjects in the areas of:

- Arts
- Business and Economics
- English
- Health and Physical Education
- Humanities and Social Sciences
- ICT and Design
- Languages
- Mathematics
- Sciences.

The QSA develops, approves and revises syllabuses for Senior Authority subjects, including subjects offered in the Senior External Examination program, and study area specifications (SASs) for Authority-registered subjects. Both types of subject can count towards a Queensland Certificate of Education.

This report presents enrolment data in the three groups — Authority, Senior External Authority and Authority-registered subjects — and includes enrolment statistics for the Year 11 and Year 12 cohort of each subject as well as summary Year 12 data for levels of achievement.

## Authority subjects (including Senior External Authority subjects)

Authority subjects are based on syllabuses that have been approved and issued by the QSA. Results in Authority subjects can count in the calculation of OPs and FPs, the most common selection devices used by the tertiary sector.

## Authority-registered subjects

Authority-registered subjects are developed from study area specifications (SASs) and generally include substantial vocational and practical components. Results in these subjects are not used in the calculation of OPs and FPs.

Results in Authority and Authority-registered subjects are reported as one of five levels of achievement:

- Very High Achievement
- High Achievement
- Sound Achievement
- Limited Achievement
- Very Limited Achievement.

## Authority subjects
