

## Background

Each year the Queensland Studies Authority (QSA) issues Student Education Profiles (SEPs) to students who complete Year 12 in Queensland. The SEP may contain a Senior Certificate or it may contain a Senior Certificate and a Tertiary Entrance (TE) Statement. Schools approved by the Queensland Minister for Education that offer Authority subjects and/or Authority-registered subjects and agree to comply with the QSA's procedures may have Senior Certificates issued to their students at the completion of Year 12.

- All students who complete Year 12 with at least one result in an Authority subject, Authority-registered subject, or Recorded subject, receive a Senior Certificate. The Senior Certificate also reports the details of accredited vocational education and training (VET) and grades in the Queensland Core Skills (QCS) Test.
- A student is eligible for an Overall Position (OP) at the end of Year 12 provided that they have completed a minimum of 20 semester units of Authority subjects (including at least three subjects for all four semesters) and has sat for the QCS Test in that year. OP-eligible students receive a TE Statement reporting overall achievement on a ranking from OP1 (highest) to OP25 (lowest) and achievements in a maximum of five fields ranked from FP1 (highest) to FP10 (lowest) each.

Enrolment and certification statistics in this publication relate to internal students and to candidates for the Senior External Examination. Internal students are those who enrol to study full-time in an approved secondary school, where the minimum amount of timetabled school time provided for is 55 hours per semester per senior Authority or Authority-registered subject studied.

## Student Education Profiles (SEP)

In December 1994, the QSA issued 32 944 SEPs (excluding visa students<sup>1</sup>); 25 597 of these contained Tertiary Entrance Statements for Year 12 students who were OP-eligible, as well as the Senior Certificates included in all SEPs. SEPs were issued to 447 visa students including 388 Tertiary Entrance Statements for students who were equivalent OP-eligible.

<sup>1</sup> A visa student is a student who is not a citizen or permanent resident of Australia. Visa students are not regarded as OP-eligible. They may qualify for an equivalent-OP.

<sup>2</sup> In table 1, visa students are included in school totals.

## External Examinations

Senior External Examinations are conducted by the QSA for the purpose of issuing Senior Certificates to people undertaking Year 12 studies other than by full-time schooling. These include 'mature-age' students and those who are geographically isolated.

Nomination statistics for Senior External Examinations include everyone who nominated to sit for them. Some withdrew before the examination or failed to attend. Some Year 12 students, for good and sufficient reasons, may receive permission to nominate and sit for Senior External Examinations. Such students may be assessed in no more than two subjects externally.

Thirty-four subjects were offered as 1994 Senior External Examinations: English, French, German, Indonesian/Malaysian, Italian, Japanese, Ancient History, Modern History, Geography, Economics, Legal Studies, Logic, Mathematics I, Mathematics II, Mathematics in Society, Mathematics in Society, Chemistry, Physics, Biology, Earth Science, Accounting, Home Management, Graphics, Visual Art, Music, Speech & Drama, Inform. Processing & Technology, English, French, German, Ordinary Mathematics, Advanced Mathematics, Science, Graphics. A total of 2238 candidates nominated to sit examinations in 1994, and 1763 actually sat. Some students sat more than one examination. Results for 3683 External Senior Examinations were certificated.
