Drafts of senior syllabuses for consultation

Purpose
To notify schools that the second drafts of a group of three senior syllabuses are available for review and feedback by completing an online survey.

Background
The new senior assessment and tertiary entrance system will be introduced for students entering Year 11 in 2019.
To support the introduction of the new system, the QCAA is redeveloping senior syllabuses in stages.

Information
Expert writing teams, comprised of practising teachers and academics with subject discipline expertise, have responded to feedback on initial drafts of the following three syllabuses and second drafts are now available online at www.qcaa.qld.edu.au/senior/new-snr-assessment-te/redev-snr-syll.

*Syllabus titles are provisional while the redevelopment process continues.
Draft 2 of the redeveloped senior syllabuses contains the following sections:

- Course overview, which includes a rationale outlining the particular qualities of a subject and what students will learn
- Teaching and learning, which includes syllabus objectives, the valued pedagogies and/or conceptual frameworks particular to a subject
- Four units of work, which include formative Units 1 and 2 and summative Units 3 and 4. Each unit will have a unit title and description, unit objectives, unit requirements and detail of subject matter
- Assessment information for Units 3 and 4, including instrument-specific marking guides (ISMGs) for summative internal assessments
- External assessment, which includes subject-specific external assessment advice
- Glossary, which includes curriculum language that is consistent across syllabuses as well as subject-specific terms
- References.

The QCAA invites feedback on the syllabuses via the online survey, which is available from Monday 13 February 2017 to Friday 3 March 2017.

**What you need to do**

- Click on the following link to take you to the syllabus redevelopment page: [www.qcaa.qld.edu.au/senior/new-snr-assessment-te/redev-snr-syll](http://www.qcaa.qld.edu.au/senior/new-snr-assessment-te/redev-snr-syll)
- Select the relevant learning area and syllabus.
- Review the survey questions provided in PDF format.
- Click on the syllabus survey link to begin the survey. You will be able to view the syllabus and complete the survey in separate windows. The survey should take approximately 30 minutes.
- Please make teachers, students and your school community aware of the survey and encourage them to participate.
