

Strategic plan 2023–27

Queensland Curriculum and Assessment Authority

We pursue the highest quality in all that we do, by working in principled and evidence-led ways.

We collaborate to build and maintain the trust of those we serve.

We foster a culture of curiosity, innovation and responsiveness.

We promote the value of diverse knowledge, perspectives and skills, and engage respectfully with others.

Opportunities

Future readiness

We will use evidence, expert judgment and collaboration to lead thinking and action to support learners in an increasingly complex world.

Connection and engagement

We will invest in our stakeholder relationships with timely information-sharing and collaboration.

Responsiveness

We will develop agile and flexible responses to emerging challenges to uphold the integrity of the Queensland education system.

Enhanced capability

We will attract and retain diverse, talented and dedicated people, equipping them with the skills they need to contribute to our work, now and into the future.

Strategic risks

Dynamic education environment

We will engage with emerging local and global trends and contribute to state and national policy reforms to ensure our students are future-ready.

Rapid technological transformation

We will monitor the technological landscape to ensure school curriculum, assessment and certification are contemporary and responsive, and promotes integrity.

Workforce challenges

We will respond to changing community and workforce demands, incorporating new insights, and fostering foresight, agility and resilience.

Information security

We will maintain best-practice information controls to protect our systems from unauthorised access.

We will respect, protect and promote human rights in our decision-making and actions.

The Queensland Curriculum and Assessment Authority acknowledges that the Queensland education community lives, learns, and works on the lands of Traditional Custodians across Queensland. We pay our respects to their Elders past, present, and emerging, as we engage, together, in teaching and learning activities for a future-ready Queensland.

Our vision

Leading curriculum and assessment for a future-ready Queensland
