2009 Data summary

Year 12 enrolment and certification

Background

Each year, the Queensland Studies Authority issues a Senior Education Profile (SEP) to each student who completes Year 12 in Queensland. The SEP may contain one of the following combinations:

- a Queensland Certificate of Education (QCE) and a Senior Statement
- a QCE, Senior Statement and a Tertiary Entrance (TE) Statement
- a Senior Statement and a TE Statement
- a Senior Statement only.

Senior Statements

Schools approved by the Queensland Minister for Education that offer Authority subjects and/or Authority-registered subjects and agree to comply with the QSA?s procedures may have Senior Statements issued to their students at the completion of Year 12.

All students who complete Year 12 receive a Senior Statement. The Senior Statement also reports the details of accredited vocational education and training (VET) and grades in the Queensland Core Skills (QCS) Test.

Tertiary Entrance Statements

A student is eligible for an Overall Position (OP) at the end of Year 12 only if they have:

- completed a minimum of 20 semester units of Authority subjects (including at least three subjects for all four semesters)
- sat the QCS Test in that year.

OP-eligible students receive a TE statement that reports their:

- overall achievement on a ranking from the highest OP1 to the lowest OP25
- field position (FP) achievements in a maximum of five fields each ranked from the highest FP1 to the lowest FP10.

Focus of this data

The enrolment and certification statistics in this summary are about internal students and candidates for the Senior External Examination. Internal students are those who enrol for full-time study in an approved secondary school, where the minimum amount of timetabled school time is 55 hours per semester for each senior Authority or Authority-registered subject studied.

Senior Education Profiles

In December 2009, the QSA issued 43 192 SEPs (excluding visa students¹); 25 305 of these contained Tertiary Entrance Statements for Year 12 students who were OP-eligible, as well as the Senior Statements included in all SEPs.

SEPs were issued to 1 004 visa students including 812 Tertiary Entrance Statements for students who were equivalent OP-eligible.

Note: Visa students are included in school totals in this table.

¹ A visa student is a student who is not a citizen or permanent resident of Australia. Visa students are not regarded as OP-eligible. They may qualify for an equivalent-OP.

2009 Senior External Examination

The Senior External Examination is conducted by the QSA for the purpose of issuing Levels of Achievement to people undertaking the equivalent of Year 12 studies other than by full-time schooling. These include 'mature-age' students and those who are geographically isolated.

Nomination statistics for the Senior External Examination include everyone who nominated to sit for them. Some withdrew before the examination or failed to attend. Some Year 11 and Year 12 students, for good and sufficient reasons, may receive permission to nominate and sit for the Senior External Examination. Such students may be assessed in no more than two subjects externally.

Twenty-one subjects were offered in the 2009 Senior External Examination: English, Russian, Chinese, Vietnamese, Korean, Modern Greek, Spanish, Polish, Ancient History, Modern History, Geography, Legal Studies, Philosophy & Reason, Mathematics A, Mathematics B, Chemistry, Physics, Biology, Accounting, Visual Art, Drama. A total of 743 candidates nominated to sit examinations in 2009, and 677 actually sat. Some students sat more than one examination. Results for 985 External Senior Examinations were certificated.

Queensland Certificate of Individual Achievement

The Queensland Certificate of Individual Achievement (QCIA) recognises and reports the learning achievements of students whose learning is part of an individualised learning program. To be eligible, students must have impairments or difficulties in learning that are not primarily due to socioeconomic, cultural or linguistic factors.

The certificate is an official record that students have completed at least 12 years of education, and provides students with a summary of their skills and knowledge that they can present to employers and training providers.

In 2009, 561 students from 166 schools received the QCIA.
