Applied syllabuses 2024

Purpose

To provide an update on the redeveloped Applied syllabuses for implementation starting with Year 11 students in 2024.

Background

In December 2022, the Queensland Curriculum and Assessment Authority approved the redeveloped suite of Applied syllabuses for implementation starting with Year 11 students in 2024.

These syllabuses were drafted by expert writing teams, and refined using feedback gathered through two rounds of public consultation and focus group events.

Information

The Applied syllabuses, approved for implementation starting with Year 11 students in 2024, have been published to the QCAA website for familiarisation and planning purposes. PDFs of these syllabuses can be accessed at [Applied syllabuses 2024: familiarisation and planning](#).

What you need to do

Please familiarise yourselves with the 2024 Applied syllabuses in preparation for implementation with Year 11 students for the first time in 2024. For information about professional development opportunities and more information about Applied syllabuses, please monitor the [QCAA memos](#) and [QCAA events](#) pages.
