# Registration of choices for 2023 in the Prescribed Lists application in the QCAA Portal

## Purpose

To inform schools that they must register their chosen prescribed texts for 2023 for:

- English
- English as an Additional Language (EAL)
- Literature.

To inform schools that they must register their chosen recorded live performances for 2023 for:

- Drama
- Drama Alternative Sequence (AS).

## Information

The Queensland syllabuses for English, EAL and Literature are supported by lists of prescribed texts.

The Queensland syllabuses for Drama and Drama AS are supported by the *Prescribed recorded live performance list for Drama 2023*.

The QCAA advised schools when these lists were released that schools would be required to register their text/recorded live performance choices for Units 3 and 4 for every cohort.

Schools must now register their 2023 choices for the above subjects in the Prescribed Lists app in the QCAA Portal.

The closing date for registering choices is **Monday 1 May 2023**.

## What you need to do

To register the choices, the QCAA Portal Organisation Administrator must assign the required roles (Prescribed Lists Editor or Prescribed Lists Submitter) to the appropriate people in the school. Complete the following steps:

1. The editor opens the Prescribed Lists tile in the QCAA Portal.
2. The editor selects the appropriate subject/s for their school.

3. The editor selects the appropriate years of registration (for English, EAL and Literature, 2023; for Drama and Drama AS, 2023).
4. The editor registers their school's text choice/s (English/EAL and Literature) and/or recorded live performance choice/s (Drama and Drama AS), guided by the app dropdown boxes and the syllabus subject information in the:
