Review of the Queensland kindergarten learning guideline (QKLG)

Purpose

To inform kindergarten teachers and services about the timeline for the review of the *Queensland kindergarten learning guideline* (QKLG) 2018.

Background

All Australian, state and territory Education Ministers approved the updated national learning framework *Belonging, Being & Becoming: The Early Years Learning Framework for Australia V2.0* (EYLF V2.0).

The QKLG 2018 is currently being revised to:

- align with the EYLF V2.0
- cater for three-year-olds accessing early education and care in kindergarten.

Information

During 2024, teachers and services will continue to implement the QKLG 2018. They can be confident they are using a contemporary guideline that supports quality practice and broadly connects to the EYLF V2.0.

For an overview of how the updates to the EYLF V2.0 are represented in the QKLG 2018, see *Making connections: Queensland kindergarten learning guideline and Early Years Learning Framework V2.0* at www.qcaa.qld.edu.au/kindergarten/qklg/qklg-2018-review.

A draft of the revised QKLG will be available for public consultation in March 2024, and a final version will be published by August 2024.

The QCAA will support teachers and services with familiarisation and planning during Semester 2, 2024.

Teachers and services will implement the updated QKLG from January 2025.
