Release of the Years 7–9 academic integrity toolkit

Purpose

To advise teachers and school leaders that the Years 7–9 academic integrity toolkit has been released.

The toolkit can be accessed via the QCAA website.

Background

A toolkit has been developed for teachers to build students' awareness of academic responsibilities from Year 7 to empower them to make ethical decisions, including those related to the use of generative artificial intelligence (AI).

Information

The toolkit includes several resources, including:

- a guidance for teachers document
- a slideshow presentation
- scripted slide notes for teachers
- a student worksheet
- a quiz
- a classroom poster series for Years 7–12.

What you need to do

Inform the relevant staff and parents/carers of the availability of the Years 7–9 academic integrity toolkit.

Encourage teachers to deliver the presentation and associated activities to build academic integrity and ethical practices.
