

myQCE competition for Years 10–12 students

Purpose

To notify schools about a competition to encourage Years 10–12 students to engage with myQCE resources and the Student Portal.

Background

The [myQCE website](#), e-newsletter, Instagram account and enquiry service provide information and resources for senior students about the Queensland Certificate of Education (QCE), pathways planning and successful learning.

The Student Portal gives senior students secure access to information related to their senior studies, including subject enrolments and results.

The myQCE competition is designed to incentivise student awareness of and engagement with these resources.
