

Release of 2025 subject results and Senior Education Profiles to students

Purpose

To inform schools about the release of 2025 final subject results and Senior Education Profiles (SEPs) to students.

Information

Online release of results and SEPs

From 9 am on **Wednesday 17 December** 2025, Year 12 students and other students who have completed a QCAA subject in 2025 can access their final subject results and SEP from their learning account in the Student Portal via the [myQCE website](#).

Depending on students' individual circumstances, their SEP will comprise one or more of the following documents:

- Senior Statement
- Statement of Results (students who have completed a QCAA subject but are not in Year 12)
- Queensland Certificate of Education (QCE)
- Queensland Certificate of Individual Achievement (QCIA).

SEPs are issued as electronic documents directly to students' learning accounts via the QCAA's [Student Portal](#). Electronic SEPs are official documents that use technology to ensure they cannot be altered. When students download their documents and provide their electronic SEP to a third party (e.g. an employer or further education provider), the user opening the document will see a blue electronic signature panel across the top of the screen. This confirms the documents are authentic.

Printing SEPs

Students may print their own SEP, or they may request a printed copy of their SEP from the QCAA via their learning account in the Student Portal, which they access via the [myQCE website](#).

If students print their SEP and provide it to a third party, the user can scan the QR code on the document, which directs the user to a QCAA webpage to confirm the SEP's authenticity. The [Authenticating a QCAA certificate or statement](#) page on the QCAA's website provides more information.

The option to request a printed copy of their SEP will become available to students in their Student Portal learning account when SEPs are issued and will close on **31 January 2026**. SEPs will be posted during March 2026. Printed copies are free.

SEPs printed by the QCAA are **no different** from those that students can print for themselves and are **not official documents**. They are provided for students' convenience only.

Students who receive a QCIA will automatically receive a printed copy of their SEP in the mail after **17 December 2025** — they do not need to request a printed copy via the learning account.

Accessing the Student Portal

To access the Student Portal via the [myQCE website](#), students must first register for access using their learner unique identifier (LUI). They should do this in advance to ensure quick access when their results and SEPs are issued on 17 December. Schools are reminded that it is their responsibility to ensure students have been issued with their LUI.

After students have registered for access to the Student Portal, they can log in with their email address and nominated password.

What you need to do

Make students and relevant staff aware of the arrangements for the release of 2025 results and SEPs in the Student Portal on the myQCE website from 9 am on Wednesday 17 December 2025.

Remind students to register for the Student Portal and change their email addresses to a non-school account. Schools can download a Student Portal registration report from the Student Management application. Go to **Reports > Student reports > Student Portal**.

Accessing ATARs

Remind students that ATARs will be available via the [Queensland Tertiary Admissions Centre \(QTAC\)](#). Students must sign up to QTAC's ATAR Portal to access their ATAR and need to use their name (as shown in their QCAA learning account), date of birth, LUI and email address.
