Purpose

To advise schools that the *Confirmation submission information* has been updated to align with the 2025 General senior syllabuses.

Information

The *Confirmation submission information* provides general guidance and subject-specific information to support the confirmation process, including information about the file types and file sizes suitable for submitting via the Confirmation application (app) in the [QCAA Portal](#).

The *Confirmation submission information* has been updated with submission information relating to the 2025 General senior syllabuses and is now available on the [QCAA website](#) (see relevant senior syllabus > Resources > Quality assurance) and in the [QCAA Portal](#) via the Syllabuses app (see Resources > Quality assurance) and Noticeboard app (see Internal Assessment and Certification resources for schools).

Schools should use the *Confirmation submission information* to ensure they provide the required materials (see [QCE and QCIA policy and procedures handbook v7.0, Section 9.6](#)).
