Senior Education Profile calendar — 2027

Purpose

To notify schools and other learning providers that the 2027 Senior Education Profile (SEP) calendar is available.

Information

The QCAA publishes the SEP calendar annually, usually in Term 4. The calendar provides dates for key Queensland Certificate of Education (QCE) system processes, including:

- certification
- confirmation
- endorsement
- data submission for all learning providers
- internal and external assessment.

The calendar is available on the QCAA website at: www.qcaa.qld.edu.au/senior/certificates-and-qualifications/sep/sep-calendar.

Schools will be notified, via email to the Principal's delegate, if any changes are made to the 2027 calendar.

What you need to do

Ensure the following people are aware of key dates and processes outlined in the 2027 calendar:

- staff at your school
- all other learning providers partnered with your school to deliver learning to your students, including registered training organisations (RTOs), recognised study providers and higher education providers.
