Finding and organising your ideas

**Brainstorm**
List lots of ideas and then choose some to write about.

**Draw a picture**
Draw a picture to help you see and remember what you want to write about.

**In your mind’s eye**
See the topic you’re writing about. Imagine:
- what is happening
- what is being said
- how people feel
- talking about the subject.

**Make a web**
Make a web to connect your ideas in the way you want to write about them.

**Make an outline**
List ideas in order.
