Exploring familiar places

Prep teacher Boys and girls, today we are going to do another lesson about Geography. Who can remember what Geography is? Soham?

Soham: The world.

Prep child

Prep teacher The world. Very good. It is all about studying the world. PJ?

PJ: Maps and location.

Prep child

Ava: Studying Earth.

Prep child

Prep teacher Very good. Studying the Earth. Lorelei?

Lorelei: Maps.

Prep child

Prep teacher And, Livia?

Livia: Places and spaces.

Prep child

Prep teacher Very good, Livia. Boys and girls, that's right, Geography is all about learning about special places. I know I have a special place. My house is really a special place to me because it's a place where I can go and relax. Does anybody have their own special place? Gemma?

Gemma: Your bedroom.

Prep child

Prep teacher Your bedroom. Why is that your special place, Gemma?

Gemma: Because you can play with toys in there.

Prep child

Prep teacher You can play with toys in there. Ava?

Ava: Movie World.

Prep child

Prep teacher Very good. That's a great special place, isn't it? Livia, can you think of any special places?

Livia: In my games room.

Prep child

Prep teacher In your games room. And one more, Thomas?

Thomas: In my room.

Prep child

Prep teacher In your room. Okay so boys and girls there's lots of special places that we like to go to and when we study these places we are learning about Geography.
