Key: Enter an A–E grade for the Assessable element Not assessed in this unit

Assessable elements

8	Unit title	Knowledge and understanding	Investigating	Communicating	Reflecting
Semester 1	Forensics				
	Understanding matter				
	Diversity of living things				
	Our place in the universe				
Overall grade			Semester on-balance judgment		

8	Unit title	Knowledge and understanding	Investigating	Communicating	Reflecting
Semester 2	The heat is on				
	The changing Earth				
	Machines				
	Living with and in water				
	Looking after the environment				
Overall grade			Semester on-balance judgment		

9	Unit title	Knowledge and understanding	Investigating	Communicating	Reflecting
Semester 1	Body systems				
	Cracked up				
	The birds and the bees				
	And then there was matter				
Overall grade			Semester on-balance judgment		

9	Unit title	Knowledge and understanding	Investigating	Communicating	Reflecting
Semester 2	Fun park physics				
	Managing natural ecosystems				
	Electricity				
	The chemical environment				
Overall grade			Semester on-balance judgment
