

Art journey

Student booklet

Name: _____

The Arts — Visual Art

Create an artwork using visual arts elements and concepts to express an idea about a journey.

You will:

- select a journey that you have been on
- choose an art medium to work with
- express ideas about the journey through an artwork and in an artist statement.

Selecting the visual arts concepts for your artwork

Select from or combine visual arts materials. Write your materials in the space below.

Designing your artwork

Sketch or communicate some ideas of what your artwork might look like.

A large, empty rectangular box with a thin teal border, intended for students to sketch or communicate ideas for their artwork.

Talk to your teacher about your ideas and how you might represent them using your chosen visual arts elements and concepts.

Creating your artwork

Now create your artwork

Artist statement

Create an artist statement for your artwork.

What journey did you go on?
What idea or ideas about your journey did you express?
What visual arts elements and concepts did you use to express this idea or these ideas? Why?

Your artist statement will be included for display to communicate your ideas about your artwork.
