

# 2017 NAPLAN test reporting

## School reports

School reports are available on the secure section of the QCAA website [www.qcaa.qld.edu.au/secure\\_site/Login.do](http://www.qcaa.qld.edu.au/secure_site/Login.do).

Schools should download and save copies of school and class reports for school use and future reference. The reports should be made available to class teachers.

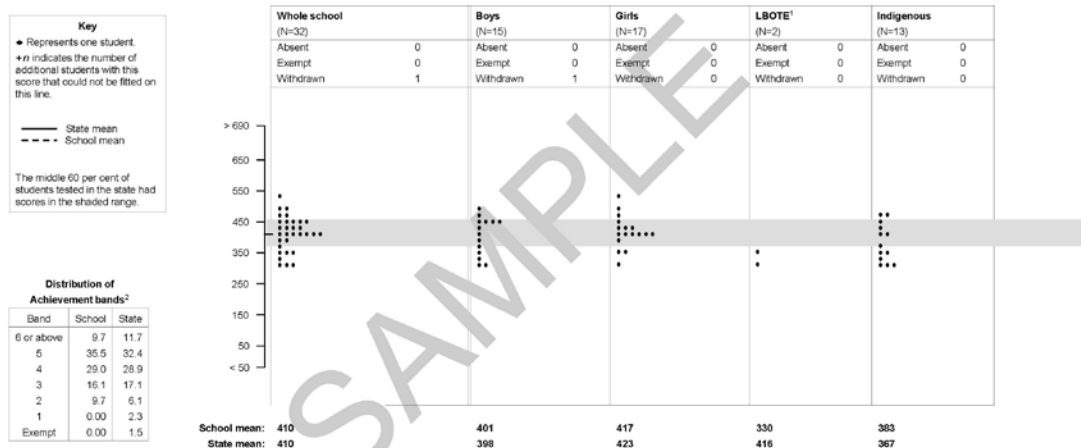

The school reports contain a school summary and show student performance on the tests. Below is a sample of a school report.
