NAPLAN

Test administrator quick reference — technical disruptions

Technical issue occurs **BEFORE** login:

- locked down browser not opening/connecting
- session code not working
- · student code not working
- error message.

- internet connection is working
- correct environment accessed
- · session code/student code correct
- · locked-down browser is up to date.

Ask principal/NAPLAN coordinator to check:

- · previous test has been finalised
- · student session slip details are correct
- · student status has not been changed
- · network and device connectivity.

Technical issue occurs **AFTER** login

Test administrator try:

- image rendering back/next; pause/resume
- error message pause/resume; swap device and unlock
- school-wide disruption pause/resume.

If unable to rectify the issue:

- pause test attempt/session
- ask principal/NAPLAN coordinator to seek in-school technical support.

If issue not resolved within 15 minutes:

Pause test attempt/session. Principal/NAPLAN coordinator to call QCAA on 1300 214 452 for advice and to reschedule.

Do not finalise test session.
