Literacy Indicators provide teachers with a resource to support planning for teaching, learning, assessment and monitoring of literacy across all key learning areas.

The following reference materials have been used during the development of the Literacy Indicators and are a valuable resource for teachers to further their understanding of the Literacy Indicators.

Pressley, M, Billman, AK, Perry, KH, Reffitt, KE & Moorhead Reynolds, J 2007, *Shaping Literacy Achievement: Research we have, research we need*, Guilford Press, New York.

Sweet A & Snow C (eds), 2003, Rethinking Reading Comprehension: Solving problems in the teaching of literacy, Guilford Press, New York.
