Painting

Transcript of video

This video is available from www.qcaa.qld.edu.au/kindergarten/professional-topics/intentional-teaching/active-learning

Emily Clark Kindergarten teacher	How are you going, Bella?
Bella Child	Good.
Emily	What did you notice about the paints today?
Bella	They're different colours.
Emily	They're different types of blue today ... some dark blue and some light blue.
Bella	I've never seen blue like these.
Emily	Yeah, there's some interesting types of colours. And then we've got some white and some black to use as well.
Bella	I think I'll have to paint the petals in blue.
Emily	So you're going to paint the petals with that blue?
Bella	Yes.
Emily	Yeah? And then you've got a darker blue in the middle, don't you? So it's a bit like the blues that are in this picture here. Can you see different blues in that picture?
Bella	Why you put those blues in there?
Emily	Well, that's how it was painted.
Bella	Why you put that pink in there?
Emily	This is the same artist that did this picture here, as up there: Picasso. And he did this picture and that picture.
Bella	I think I need some pictures in my house.
Emily	In your house, do you?
