

# Achieving successful transitions to school

---

This diagram can be used to brainstorm answers to the following questions:

- How do you recognise, know and measure how successful transitions are achieved?
- What are stakeholders in successful transition seeing, feeling and thinking?

Consider all three aspects as a useful starting point for developing your indicators for successful transitions.

Further information can be found at [www.qcaa.qld.edu.au/downloads/p\\_10/tts\\_success\\_trans\\_school.pdf](http://www.qcaa.qld.edu.au/downloads/p_10/tts_success_trans_school.pdf).
