What are you looking forward to at school? [Text on screen]

I'm excited to go to school because I think it's going to be different. And I think there's going to be new people. I think I'm going to learn about space and letters and numbers.

What is different about Prep? [Text on screen]

My favourite thing in Prep is playing. I play with things where you make stuff like 3D shapes, and I go on computers. I play inside and outside, and I play in the sandpit at the big blocks and a little bit ... and the big Lego in the playground.

I learn about sight-word games. And sight words are words that we learn about in homework. And also in homework I do sentences.

I also learnt about doing stories, and also I ... one day I actually wrote a whole story of *The Three Billy Goats Gruff*.

I like maths and I learnt about what 100 plus 100 is, and it is 200.
