NAPLAN 2014 Outcomes

All Queensland Schools

December 2014

Introduction

The following report shows Queensland student achievement in the 2014 NAPLAN tests on a school-by-school basis.

The data provides only a snapshot of the school's results in the areas of literacy and numeracy. For comprehensive information about a school or your child's achievements at school, contact the school directly. Detailed reports on individual student achievement are sent to parents by schools each year.

Additional information can be found at the NAPLAN website: www.nap.edu.au

Reading the table

School

Shows the name of the school

Locality

Shows the city, town or suburb where the school is located.

Year level enrolments

Shows the total enrolments in the year level at the time the NAPLAN tests were undertaken.

Year level (3, 5, 7, 9)

Shows the year level of the students tested.

Average score of the school

Shows the average scale score of students at the school.

Raw scores are transformed into scale scores that allow comparison of students between year levels and in the future, across years.

Percentage of students at or above National Minimum Standard (NMS)

Shows the percentage of students at or above the National Minimum Standards in literacy and numeracy for a given year level.

Reading (READ)

Students read a variety of texts and respond to multiple-choice and constructed reponse questions which assess various aspects of reading such as:

- locating information
- interpreting information
- analysing and evaluating information
- applying information.

Writing (WRIT)

Students write a persuasive essay to demonstrate their knowledge and mastery of written language.

In 2014 the task was a persuasive essay, as it was from 2011 to 2013. The results from these four years can therefore be compared with each other.

From 2008 to 2010, students wrote a narrative text. NAPLAN's narrative and non-narrative writing tasks test different aspects of what is taught in the curriculum, so the 2011–2014 results cannot be usefully compared with the results of the narrative marking from 2008–2010.

Spelling (SPEL)

Spelling requires students to do two things: correct an identified misspelt word and find and correct an unidentified misspelt word.

Grammar and Punctuation (GP)

Grammar items require students to answer multiple-choice questions relating to grammar, such as subject-verb agreement, tense and parts of speech.

Punctuation items require students to recognise correct punctuation and to accurately insert punctuation.

Numeracy (NMCY)

Students are tested in the key areas of:

- number
- algebra, function and pattern
- measurement, chance and data
- space.

They are asked to respond to multiple-choice and constructed response questions.
