

NAPLAN 2016 Outcomes

All Queensland Schools

September 2016

www.qcaa.qld.edu.au

For all Queensland schools

Introduction

The following report shows Queensland student achievement in the 2016 NAPLAN tests on a school-by-school basis.

The data provides only a snapshot of the school's results in the areas of literacy and numeracy. For comprehensive information about a school or your child's achievements at school, contact the school directly. Detailed reports on individual student achievement are sent to parents by schools each year.

Additional information can be found at the NAPLAN website: www.nap.edu.au

Reading the table

School

Shows the name of the school

Locality

Shows the city, town or suburb where the school is located.

Year level enrolments

Shows the total enrolments in the year level at the time the NAPLAN tests were undertaken.

Year level (3, 5, 7, 9)

Shows the year level of the students tested.

Average score of the school

Shows the average scale score of students at the school.

Raw scores are transformed into scale scores that allow comparison of students between year levels and in the future, across years.

Percentage of students at or above National Minimum Standard (NMS)

Shows the percentage of students at or above the National Minimum Standards in literacy and numeracy for a given year level.

Reading (READ)

Students read a variety of texts and respond to multiple-choice and constructed response questions which assess various aspects of reading such as:

- locating information
- interpreting information
- analysing and evaluating information
- applying information.

Writing (WRIT)

In 2015, students were asked to write a persuasive essay to demonstrate their knowledge and control of written language. As this is the same form of writing that has been required since 2011, the results from these five years can be compared with each other. This year, for the first time, two different stimuli were used. Students in Years 3 and 5 were given a different stimulus from those in Years 7 and 9, both required persuasive writing. The writing for all students was marked with the same rubric and the results appear on the same scale.

From 2008 to 2010, students wrote a narrative text. As the narrative and persuasive tasks assess different aspects of the curriculum, the results of the narrative task in the years 2008–2010 cannot be usefully compared with those achieved from the persuasive task.

Spelling (SPEL)

Spelling requires students to do two things: correct an identified misspelt word and find and correct an unidentified misspelt word.

Grammar and Punctuation (GP)

Grammar items require students to answer multiple-choice questions relating to grammar, such as subject-verb agreement, tense and parts of speech.

Punctuation items require students to recognise correct punctuation and to accurately insert punctuation.

Numeracy (NMCY)

Students are tested in the key areas of:

- number
- algebra, function and pattern
- measurement, chance and data
- space.

They are asked to respond to multiple-choice and constructed response questions.
