Seb Well, I was born in Rio, but mostly Sydney, Singapore. Melbourne for a little bit too.

Seb Eleven.
Jenny Well, welcome...Rio, Sydney, Singapore, Mcllwraith, you're moving up in the world.

Looking at her phone.

Jenny I've got to get to work but Mrs Anderson is in the main office.

SEB looks blank.

Imagine this is the main building at the front. then one back from that, on the end of the verandah, but down the stairs.

SEB is slightly confused as JENNY sends him on his way.

Seb Um hey! Um ...What's there to do around here?
Jenny Well, you could come to the Chook Nook.
Seb The what?
Jenny The Chook Nook. Oh, you'll love my boss, Shaleene, she's very orange.
Seb Orange like an Oompa Loompa?
Jenny Yeah. Except taller, blonde, and from the Gold Coast.
Seb Cool.
Jenny Yeah, see ya.

JENNY pushes SEB off in the direction of the office.
