Run

Narrator

So you just take a deep breath and, you know, pick yourself up because what you need to understand is that the way we spend our time defines who we truly are. So we just dust yourself off and start all over again from the very, very beginning. It is not about how much time we have, it is about how we use it because in the end, when it all comes down to the end, it is either you run the day, or the day runs you.
