Unit 2 high-level annotated sample response is available from the QCAA Portal.

Baby, I've got a Fat Heart

I had the voice
And I had the hair
I had the moves
And I had no care
My skin is white
My life was planned
I never gave a thought to my fellow man
Then you showed me
The truth of it
The bigger your heart
The more people fit
Thin may be in
But big's what I dig
Baby I'm fat in my heart
Now you had your cake
And eat mine too
I don't mind 'cause I love you
My narrow mind's gone
My narrow hips stay
You opened my eyes to the super size way
For you showed me
The truth of it
The bigger your heart the more people fit
Thin may be in
But big's what I dig
'cause baby I'm fat

Cause thin may be in
But big's what I dig
Baby I'm fat
Cause that's where it's at
Baby I'm fat in my heart.
