External assessment 2022

Extended response (35 marks)

Assessment objectives

This assessment instrument is used to determine student achievement in the following objectives:

- 1. demonstrate understanding of one short literary text and ways of reading this text
- 2. demonstrate understanding of relevant aspects of text-centred and world-context-centred theoretical approaches to explore the unseen short text and generate an interpretation
- 4. apply appropriate aspects of the text-centred and world-context-centred theoretical approaches to an unseen short literary text to explore the text and generate an interpretation
- 5. analyse how the genre, structure and textual features of the unseen text support an interpretation
- 6. use correct terminology and appropriate referencing conventions to create a theorised exploration
- 7. use textual features (including spelling, grammar and punctuation) to create a theorised exploration
- 10. synthesise analysis of a short unseen text, aspects of text-centred and world-context-centred theoretical approaches applied to this text, and the resultant interpretation with supporting evidence.

Note: Objectives 3, 8 and 9 are not assessed in this instrument.

Purpose

This document consists of a marking guide and a sample response.

The marking guide:

- provides a tool for calibrating external assessment markers to ensure reliability of results
- indicates the correlation, for each question, between mark allocation and qualities at each level of the mark range
- informs schools and students about how marks are matched to qualities in student responses.

The sample response:

- demonstrates the qualities of a high-level response
- has been annotated using the marking guide.

Mark allocation

Where a response does not meet any of the descriptors for a question or a criterion, a mark of '0' will be recorded.

Where no response to a question has been made, a mark of 'N' will be recorded.
