marking guide and response

External assessment 2023

Extended response (50 marks)

Assessment objectives

This assessment instrument is used to determine student achievement in the following objectives:

1. define and use terminology relating to political philosophy in order to demonstrate an understanding of meaning
2. explain concepts, methods, principles and theories relating to political philosophy
3. interpret and analyse arguments, ideas and information relating to political philosophy
4. organise and synthesise ideas and information to understand, engage with and construct arguments relating to political philosophy
5. evaluate claims and arguments inherent in theories and views relating to political philosophy
6. create an analytical essay response that communicates ideas and arguments relating to political philosophy.

Purpose

This document consists of a marking guide and a sample response.

The marking guide:

- provides a tool for calibrating external assessment markers to ensure reliability of results
- indicates the correlation, for each question, between mark allocation and qualities at each level of the mark range
- informs schools and students about how marks are matched to qualities in student responses.

The sample response:

- demonstrates the qualities of a high-level response
- has been annotated using the marking guide.

Mark allocation

Where a response does not meet any of the descriptors for a question or a criterion, a mark of '0' will be recorded.

Where no response to a question has been made, a mark of 'N' will be recorded.
