Question and response book

Design

Time allowed

- Planning time — 15 minutes
- Working time — 120 minutes

General instructions

- Answer the question in the question and response book.
- Respond using black ink pen, black felt-tip pen, 2B pencil, and coloured pencils or pens.
- Planning paper will not be marked.

Section 1 (34 marks)

- 1 extended response question

Section 1

Instructions

- Refer to the stimulus book.
 - Represent your design work on the four A3 response pages provided in the folio. If you need more space for a response, use an additional response page.
 - Number your response pages in the order in which they should be read.
 - Type the page number of your alternative/additional response, i.e. See page ...
 - If you do not do this, your original response will be marked.
 - All used response pages must be returned in your folio at the conclusion of the assessment.
-

QUESTION 1 (34 marks)

Use the stimulus and circular design methods to reduce the waste of equipment and improve the sustainability of a sporting club.

Your response should show application of the develop phase of the design process. Devise ideas, and refine these based on your evaluation using the design criteria, to propose a design concept.

Use sketches and annotations to represent your ideas and design concept.
