

# Plan your pathway

For students completing Year 12 from 2020

## 1 Think about your abilities, interests and ambitions

Whatever you want to do when you leave school, you can choose from a wide range of senior secondary learning options to help you get there. Consider the subjects you're good at and you enjoy.

### What do you want to do?

I plan to do further study

I'd like to learn a trade

I want to find a job

### What learning options will get you there?

## 2 Check what you need for your QCE

To receive a Queensland Certificate of Education (QCE), you must achieve the set amount of learning, at the set standard, in a set pattern, while meeting literacy and numeracy requirements. You can choose from the learning options above.

## 3 Check tertiary entrance requirements and VET qualifications you may need

### Tertiary entrance

To get into many tertiary courses, you'll need an Australian Tertiary Admission Rank (ATAR). To be eligible, you have to:

- satisfactorily complete an English subject
- complete 5 General subjects, or 4 General subjects + 1 Applied subject or VET course at Certificate III or above.

Some university courses also have other prerequisites.

### VET

VET courses develop your skills and get you ready for work. When you study VET, you can leave school with:

- a statement of attainment (when you complete one or more units)
- qualification/s and a record of results (when you meet all the requirements).

## 4 Develop your plan

- Talk with your school about available courses, then explore your options and find your pathway at [www.qcaa.qld.edu.au/senior/new-snr-assessment-te](http://www.qcaa.qld.edu.au/senior/new-snr-assessment-te).
- Check the QTAC website for eligibility requirements.
