Directions

1. Use a 2B pencil.
2. With your 2B pencil, blacken the whole area within the \( \bigcirc \) (i.e. \( \bullet \)) to represent your response (A, B, C, or D) for each item.
3. To change a response, erase the existing response and ensure that your new response is substantially darker than the erasure. Cross-outs will NOT suffice. If more than one \( \bigcirc \) is blackened for an item, that item will be marked as incorrect.
4. Do not, under any circumstances, use correction fluid or highlighter on this response sheet.
