Speaking section

The speaking section has two tasks. Respond in Chinese to both tasks.

Task 1 — Prepared speech (between 2 and 3 minutes in length)

Topic — The challenges facing teenagers in Australia.

Prepare a speech for presentation to a marker in which you express your ideas and opinions about the topic.

Your speech must:
• refer to at least two challenges you have identified
• suggest ways of dealing with these challenges.

Present your speech:
• in a logical and organised manner (introduction, development and conclusion)
• using language that demonstrates how well you can speak Chinese.

You may bring a palm card (100 mm by 100 mm) into the examination room that lists the main points of your speech. **Do not read directly from the palm card — it is not a script to be read to the marker.**

You will not be given preparation time on the day of your assessment.

Task 2 — Conversation (at least 3 minutes)

When your speech ends, respond to questions from the marker during a conversation. The questions will be based on the topics listed in Table 1 of Section 6.2.3 of the Chinese Senior External Syllabus 2007 (amended 2012).

You are not permitted a palm card for Task 2.
