Directions

Do not write in this book during perusal time.

Graph paper for planning or practice is at the end of this book.

You must:

- start your response to each question on a new page
- cross out any draft work that is not to be assessed
- show intermediate results indicating the accurate and appropriate use of mathematical terms and symbols
- show working where necessary to justify procedures.

After the examination

The supervisor will collect this book when you leave the examination room.
