

# EA marker training schedule

## Script selection and subject-specific training

External assessment subject marking operations, including script selection and subject-specific training dates, are determined by the 2023 external assessment timetable, the number of student responses and the estimated time needed to mark a student response.

Each subject's marking operation continues until all marking is completed for that subject. Chief markers and lead markers complete script selection for up to two days; following this, markers attend subject-specific marker training sessions online for up to three days.

Position	Mode of attendance	Start time	Finish time
<b>Chief marker</b>	Attend in person at the Royal International Convention Centre (RNA showgrounds)	9 am	5 pm (script selection days) 3 pm (marker training days)
<b>Lead marker</b>	Attend online from an appropriate location, such as their home office	9 am	5 pm (script selection days) 3 pm (marker training days)
<b>Marker</b>	Attend online	9 am	3 pm (marker training days)

## Online access

Chief markers, lead markers and markers will all access the remote online sessions:

- from an appropriate location, such as their home office
- using the link provided in the EA Markers application on the QCAA Portal
- sessions cannot be accessed until the scheduled script selection or training day/s for each subject.

## Hours of work

Chief markers, lead markers and markers are all required to attend scheduled training days for the entirety of each day. The start and finish times indicated above should reflect your actual start and finish times, and be included in your timesheet.

## Travel

Chief markers are entitled to a travel allowance from the QCAA if:

- participating in script selection and training in person, and
- living more than 80 km from the venue (one way).

Please see the travel policy at [www.qcaa.qld.edu.au/about/corporate-policies/travel-policy](http://www.qcaa.qld.edu.au/about/corporate-policies/travel-policy) for further information. Submit travel bookings and claims via the Travel Bookings and Claims application in the QCAA Portal.

**Note:** Teacher Relief Scheme (TRS) funds will be provided to schools for training and marking completed during school hours on scheduled script selection and training days, and where full-day marking is required. Teachers will be remunerated directly at an hourly rate for any additional marking or training they undertake outside school hours. Please see role descriptions for specific rates of pay.

Schedule, sorted by learning area and subject

Subject	Script selection			Marker training
