## 1.1 About the Student Connect website

The Student Connect website [www.studentconnect.qcaa.qld.edu.au](http://www.studentconnect.qcaa.qld.edu.au) gives you access to your learning account as well as information and links to help you explore your future education, training and career pathways.

The screenshot shows the Student Connect website homepage. At the top, there is a navigation bar with links for 'Site map', 'Contact us', and 'Help', along with a search box. Below this is the Queensland Government logo and the QCAA (Queensland Curriculum & Assessment Authority) logo. The main heading is 'STUDENT CONNECT'. A horizontal menu contains links for 'My learning account', 'Years 11 and 12', 'Further education and training', 'Jobs and careers', and 'Student stories'. The main content area features a large image of three students taking a selfie. Below the image, there is a text box stating: 'Student Connect gives you access to your learning account and results, as well as information and links to help you explore your future education, training and career pathways.' To the right of the image is a 'LEARNING ACCOUNT LOGIN FOR YEAR 11 & 12 STUDENTS' form with fields for 'LUI:' and 'Password:', a 'Submit' button, and a link for 'Need help logging in?'. Below the main image is a 'LATEST NEWS' section with a sub-image of three students and a headline 'Final Year 12 results' with the text: 'Final results and OPs will be available in student learning accounts on 15 December 2018.' At the bottom of the page, there is a 'QCE PLANNER' section with a link '> Use as a guest'. A pagination bar at the very bottom shows numbers 1 through 6 and a double bar icon.

## 1.2 About your learning account

All Year 11 and 12 students in Queensland have a learning account that contains their enrolments and results.

You can use your learning account to:

- view your enrolments and results
- track your progress towards a Queensland Certificate of Education (QCE)
- check your QCE and Overall Position (OP) eligibility
- find out how changes to your enrolments will affect your QCE eligibility.

## 1.3 About this user guide

This user guide explains:

- how to activate your learning account
- how to log in to your learning account
- how to recover your forgotten password
- how to recover your forgotten learner unique identifier (LUI)
- what is inside your learning account.

## 2 Activating your learning account

The first time you log in to your learning account you need to complete the account activation process.

## 6.3 QCE Planner page

The screenshot displays the 'QCE Planner' page within the 'STUDENT CONNECT' system. At the top, there is a navigation bar with links for Home, Site map, Contact us, Help, and a search box. Below this, the Queensland Government and QCAA (Queensland Curriculum & Assessment Authority) logos are visible. The main header reads 'STUDENT CONNECT'. A secondary navigation bar includes 'My learning account', 'Years 11 and 12', 'Further education and training', 'Jobs and careers', and 'Student stories'. The user is logged in as 'Welcome' and can click 'Log out'.

The 'LEARNING ACCOUNT' section is active, with tabs for 'Summary', 'Enrolments and Results', 'QCE Planner', and 'OP Status'. A green banner indicates 'Queensland Certificate of Education (Minimum 20 credits) QCE Eligibility' with a green checkmark. Below this are buttons for 'Add Learning', 'Recalculate QCE Eligibility', and 'Reset QCE Planner'.

The 'Core' section shows a total of 28 credits. It includes a 'School Program' table and an 'External Subject' table.

Authority Subject	Amount	Result	Credit
40 - Chemistry	4 semesters	Very High	4
74 - Engineering Technology	4 semesters	Very High	4
1 - English	4 semesters	Very High	4
6 - German	4 semesters	Very High	4
37 - Mathematics B	4 semesters	Very High	4

<b>Sub-total:</b>			<b>24</b>

External Subject	Amount	Result	Credit
4042 - Biology	Completed	High	4
<b>Sub-total:</b>			<b>4</b>

Below the tables, there are sections for 'Preparatory' and 'Enrichment', both showing 'No enrolments'.

A legend on the left explains the symbols: a red 'X' for 'Not Eligible' and a green checkmark for 'Eligible'. It also notes that 'Coloured' credits are assumed and 'Un-coloured' credits are actual. A 'Banked' enrolment icon is also shown.

On the **QCE Planner** page, you can:

- view your current enrolments
- track your progress towards a QCE
- find out how changes to your enrolments will affect your QCE eligibility.

If you need help using the QCE Planner in your learning account or you have questions about your enrolments and QCE eligibility, talk to your teachers and/or career guidance officer.
