## Field Positions (FPs)

A student may receive up to 5 FPs, depending on subject choices. FPs are reported in 10 bands, from 1 (the highest) to 10 (the lowest) in the following fields:

- Field A — extended written expression involving complex analysis and synthesis of ideas
- Field B — short written communication involving reading, comprehension and expression in English or a foreign language
- Field C — basic numeracy involving simple calculations and graphical and tabular interpretation
- Field D — solving complex problems involving mathematical symbols and abstractions
- Field E — substantial practical performance involving physical or creative arts or expressive skills.
