2012 School Learner and Year 12 Outcomes reports

Purpose
To ask principals to check data on their 2012 School Learner report, to ensure accurate information in the Year 12 Outcomes report, which will be published later this year, based on this data.

Background
Each year the Minister for Education releases the Year 12 Outcomes report to be published in the Queensland media.

Information
The 2012 Year 12 School Learner report consists of a school data summary table followed by individual student data. The report provides a range of information about the educational outcomes for Year 12 students in Queensland schools.

What you need to do
Download your school's 2012 Year 12 School Learner report promptly from the secure QSA website <https://www.qsa.qld.edu.au> under Services online. You must have access to our secure website to log in to the database. If you do not have access, complete a Request for access to QSA's restricted website form immediately. The form is available on our website at <https://www.qsa.qld.edu.au/request_access.html>.

Principals should check the data on their school's 2012 Year 12 School Learner report carefully, as this data will be used to create the 2012 Year 12 Outcomes report. If you identify any incorrect information on the report, please email <pio@qsa.qld.edu.au> no later than Thursday 28 March 2013.

More information
Please email Glen Whitaker at <pio@qsa.qld.edu.au>, or phone 3864 0245.
