Queensland Core Skills (QCS) Test
Annual publications

Purpose
To provide information about the distribution of annual QCS Test publications including:
- Retrospective 2014
- Student Information Bulletin (SIB) 2015
- About the QCS Test brochure 2015.

Background
The Retrospective is a yearly publication that provides feedback on the Queensland Core Skills (QCS) Test and the responses of students. It contains information that could be useful in preparing students for future QCS Tests. The Retrospective 2014 will not be distributed in hard copy format, but will be available for download from our website (see weblinks section below).

The SIB and About the QCS Test are yearly publications that provide detailed information to Year 12 students, and general information to Year 11 students respectively about the QCS Test. They will be distributed to schools in hard copy format in late January 2015.
