Queensland Curriculum and Assessment Authority

10 March 2016

Senior secondary

Number: 025/16

Graphics and Technology Studies curriculum consultation forums

Purpose

To invite Graphics and Technology Studies teachers to participate in consultation forums. These face-to-face forums and webinars are to gather information to inform the redevelopment of senior syllabuses.

Background

To support the introduction of a new senior assessment and tertiary entrance system for students entering Year 11 in 2018, the QCAA will commence the redevelopment of existing syllabus documents this year.

When considering the development, maintenance and revision of senior syllabus, the QCAA considers a range of criteria to guide decision making. These criteria are set out in the QCAA policy document *Developing, maintaining and revising senior syllabuses: criteria for decision making*.

Information

Forums will be convened in late March and April 2016. Of the nine forums planned, eight will be face-to-face and one will be a webinar to connect with Graphics and Technology Studies teachers in remote Queensland or those who may be unable to attend the face-to-face forums.

The forums will focus on:

- gathering feedback on the application of criteria to *Graphics (2013)* and *Technology Studies (2013)*
- presenting and seeking feedback on:
 - evidence and data for both *Graphics (2013)* and *Technology Studies (2013)*
 - ideas about how to redevelop the senior Graphics and Technology Studies curriculum.

How to register for a forum

Graphics and Technology Studies teachers are invited to register for a forum or webinar by completing the attached registration form and returning it by email to events@qcaa.qld.edu.au.

Only one teacher per school can register for the webinar.

Forum dates

Face-to-face forums will be 90 minutes in duration. Start times are indicated in the table below. Afternoon tea will be provided. Please bring a fully charged Wi-Fi-enabled device.

Webinars will commence at 3:15 pm and conclude at 4:30 pm.
