***Student Connect* magazine and student learning account login competition**

Purpose

To advise schools about the distribution of QCAA's *Student Connect* magazine, and about a competition to encourage Year 12 students to log in to their learning account.

Background

Student Connect magazine highlights key aspects of Year 12 students' final year of study, including the Queensland Certificate of Education (QCE), Queensland Core Skills (QCS) Test, Overall Positions (OPs) and Field Positions (FPs).

Information

The May 2018 issue of *Student Connect* will start arriving in schools from early May.

In this issue, QCAA is encouraging students to log in to their learning accounts on the Student Connect website (<https://studentconnect.qcaa.qld.edu.au>) to check their details and become familiar with the login process before results are released at the end of the year.

As an incentive, any Year 12 student who logs in to their learning account at least once between 1 May and 31 August 2018 will be entered into a draw to win an Apple MacBook Pro.

What you need to do

- Distribute a copy of *Student Connect* magazine to each Year 12 student in your school.
- Issue or reissue learner unique identifiers (LUIs) to Year 12 students.
- Encourage Year 12 students to log in to their learning accounts.
